

Dave's True Story - *Simple Twist of Fate*

BEPOP/City Hall

Bob Dylan is a Legend, and Kelly Flint, the singer of DTS, makes him a greater legend. Not only does Kelly Flint do Dylan songs such as "Simple Twist of Fate", "Just Like A Woman" and "You're A Big Girl Now" justice, she takes the songs and sings a new passion into them with her breathy soulful voice of hers. When I listen to this album I can tell that Flint really understands the music and lyrics with her whole being. The group composed of Dave Cantor on guitar, Jeff Eyrich on upright bass, Rich Zukor on drums and Michael Ross on organ arrange Dylan's songs into vibrant jazz compositions. From Track 1 to 12 the album is a masterful rendition of some of the greatest revolutionary folk songs created. (Editor's Note: I have listened to at least 10,000 albums in my 30 plus years in this business. This album is so extraordinary, that I will play it first every night and then see if any other album can come close. Unfortunately for them, I know they can't.)
